## ANNOUNCING the LAUNCH of PC TECHIES!™ AT HOME and AT WORK PC hardware and software support service

Today AZCI.net High Speed Internet Service in Arizona City, Toltec, Eloy, and surrounding areas, announces the launch of its PC Techies™ service division. In response to many requests from its Internet Customer Base to expand its now famous PC Support service, AZCI.net has launched its AT HOME and AT WORK PC Support Service.

### Service Availability

Service is available in Arizona City, Toltec, Eloy, Picacho, Casa Grande and surrounding areas. Normal service hours are 8:00am to 5:00pm Monday through Friday. Saturday, Sunday and evening appointments are available at mutually convenient times. Call for service appointments at **866-701-FAST (3278)**.

### Services Available

Virtually any service required for IBM Compatible PCs, Servers and Network equipment is available. Among the common service items are:

- PC Desktop Hardware Repair
- PC (Laptop and Desktop) Software Repair
  - Remove Viruses
  - Remove Spyware
  - Install software
  - Fix Windows
- Reload Windows
- Install routers (wired or wireless)
- Home or office pre-wiring (Network, Phone and TV)
- Home or office Structured Cabling Systems
- Server Service
  - Install and configure Server OS
  - Install Networking
- Installation of peripherals
  - Printers
  - Backup hard drives
  - Others

### Service Rates

Our basic service rate is \$45 per hour for residential work and \$65 per hour for commercial work. Hardware repair parts are sold at cost plus 20%.

### Guarantee

We offer a 30 day guarantee on our labor and a 90 day warranty on the parts. On each PC we service, we do require an active anti-virus subscription with either McAfee or Norton and the presence of Windows Defender Anti-Spyware for our guarantees to remain in force. **Call us at 866-701-FAST (3278)**

**NOW!**
